

Rainier Avenue Corridor: 6.01.04 Transit Brainstormed Improvement Ideas

Logan as transit-way

Parking structure on Logan or Park

BRT link at N 8th St

Re-orient transit service around Transit Center

See larger detailed map of Focus Area

Hardie as transit corridor

7th as I-405 access instead of Grady

- Additional Non Site-specific Improvements:**
1. BAT lanes on portions of Rainier Ave
 2. Aggressive TDM for employers and recreation on Rainier Ave
 3. Redirect commuter parking demand to high capacity facilities
 4. Signal coordination
 5. East/West transit corridor (site not identified)
 6. Expanded shuttle service
